INDEX

SUBJECT

accidents, road traffic, in developing countries, 232
influence of drugs, 37, 233
acidic deposition and human health, Europe, 258–259
acquired immune deficiency syndrome, 74, 260
action programme on essential drugs and vaccines, 49–52, 173–174, 176–177
acupuncture nomenclature, Western Pacific, 79
acute diarrhoea, treatment and prevention, 214, 235
acute respiratory infections, research, 13–14
Western Pacific, 32
South-East Asia, 74
training of traditional practitioners, 77
Ad Hoc Committee of the Executive Board on Drug Policies, progress report, 49–52, 173–176
Adolescent reproductive health: an approach to planning health service research, 232–233
Advisory Committee on Medical Research (ACMR), 8–16, 52–53
Eastern Mediterranean, 67–68
Europe, 83
Pan American Health Organization, 30
silver anniversary, 8–11, 52
South-East Asia, 75
subcommittees, on health research strategy, 14, 53
on technology transfer to developing countries, 11
technical advisory group on occupational health, 14
working groups, on contributions of modern scientific concepts and methods to human health, report, 11
on diagnostic tests for use at the primary health care level, report, 11
Africa, alcohol production and trade, 262
Charter for Health Development, 22
chickenpox, 38, 131
cooperation with front-line countries, 24, 184
countries affected by drought and famine, 184
death of Dr Comlan A. A. Quenum, 193–194
Expanded Programme on Immunization, 24, 256–257
health assistance to refugees, 59
health development workers, 21–22
health management development, 23, 24–25
human monkeypox, 227–229
International Conference on Apartheid and Health, 23
national WHO programme coordinators, 23
Regional Committee, future sessions, 26
thirty-third session, 21–26
Regional Director, biennial report, 22–25
research methodology, 24
special programmes of cooperation, 23, 184
Standing Committee on Emergency Situations, 34
technical discussions, 25–26
women in health and development, 24, 256
World Health Assembly, method of work, 21
